# Beauty in comfort

A dulcet orchestra of technology and art, design and inspiration, Line Art CHARMANT is a superior eyewear brand for devotees of beauty and excellence.

Inspired by the spirit of music, each precious frame expresses a melodious blend of serenity and joie de vivre. Elegantly assembled and strikingly styled, Line Art CHARMANT is the first CHARMANT Group signature eyewear brand to be fashioned from Excellence Titan.

Line Art CHARMANT – because you deserve the best!

# Line Art's 3 Points of Differentiation

1. An unprecedented beauty in design: elegant and 3-dimensional.
2. Incredibly lightweight.
3. A secure yet unbelievably comfortable fit. It feels like wearing no glasses at all.

Line Art's USP (unique selling point) is the most comfortable wearing feeling – excellence you can feel instantly.

# Target group

A question of lifestyle and attitude.

She is fashion conscious, with a higher social status.

She is self confident, intellectual and individualistic.

She is metropolitan.

- ◆ Japanese rich and high quality coloring gives gorgeous profile.

# Adaptive Nose Pads (ANP)

## Beginning of use:

Pads change and adapt to individual nose shape utilizing body heat (adaptive effect).

## After a certain time\* of wearing:

After a certain time of wearing the pad keeps the adapted shape by moisture absorption from the skin.

Keep adapted shape

\*Certain time: approx. 2 weeks to 1 month-differences among individuals.

# Comfort end tips
